

**Huron Music Association
Sample Script for Fundraising Sale**

Remember - always be polite - you are representing Huron Music!

Hi! My name is _____. I am a student at Huron High School and I play/sing _____ in the _____. We're out here today because we are having a fundraiser for our music program, to help pay for instruments, music, equipment, uniforms, competitions, educational trips and many other needs we have to support our students, teachers and community. We're inviting members of the community - like you! - to help us by making a tax-deductible donation of any amount. We are also selling discount coupon cards for \$25. (*Show card - front and back*). The card includes great deals for local vendors as well as many national chains (*show sheet of participating companies*) that can be easily accessed with an app for your smart phone - and a free one-year membership to the APay app is included as an added bonus! Even without the card, you can save money with the app. Again, all the offers on the card and the app are good for a year. We would really appreciate your support today. Would you prefer to make a donation or purchase the discount card today?

Thank you so much for your support of Huron Music! Have a great day!
[Checks can be made out to Huron Music Association.]
